History Forum

8:30 -10:30AM, Saturday, August 24 2024

The influence from the historical background appears indispensable in understanding the first generation of Korean-American, in particular, the inherited volunteerism that manifested in founding the KSEA a half century ago. In this forum, the propagation of the KSEA history to the next generations will be discussed.

- Introductory Remarks and Group Photo - Chueng-Ryong Ji (Chair) and Soolyeon Cho (Co-Chair) for all participants
- Welcome Remark and History of Young Generation Activities - Tom Oh (KSEA President)
- Early History of Korean Students in US - Kang-Wook Lee
- What is history? - Sung-Kwon Kang
- Senior Forum Summary - Thomas Hahn and his delegate
